THE VALUE OF ENGLISH FOR INTERNATIONAL LAWYER

English law language is one of the many forms of English that is used in law. In other words, it is a technical language specifically originated as a language for legal professionals such as judges, lawyers, legal assistants and attorneys. Legal English is not a native language for these professionals. Therefore, they are required to learn this language from a technical context in order to perform well in the field of law.

Without knowledge of correct terminology, and an understanding of the related concepts, the legal practitioner will be at a disadvantage. It is vital that lawyers engaged in international matters are well-armed with proficiency in the language of international business law - English - in order to be fully effective.

International lawyer should:

- To participate in international negotiations;
- To provide consulting services;
- Assistance in addressing issues related to international investment and taxation;
- To represent and protect of interests of the organization in court

Therefore, learning English is very essential for international lawyer. In international negotiations, a lawyer (international) forced to know English very well. Otherwise, it cannot fully handle the legal vocabulary, let alone express their thoughts.
